Welcome to Harrington Primary School

At Harrington Primary School we believe every child deserves to be known, supported and inspired. Our school is built on a strong sense of community where learners are not just numbers in a classroom, but individuals who are guided, nurtured and challenged to grow.

We are proud to offer a warm, family-orientated environment where strong academic foundations, individual attention and character development go hand in hand.

We look forward to welcoming your family to the Harrington community.

Policy regarding school fees

It is in the interest of your child that school fees are settled **in advance** either annually, quarterly or on a monthly basis. The school fees are carefully administered by the Governing Body of the school.

School fees may be settled as follows:

- (a) By electronic transfer
- (b) By direct deposit

We unfortunately do not accept cash on the property.

School fees must be settled on or before the third day of every month.

If school fees accrue the learner will be suspended from school on the fifth day of that same month, therefore no leeway for default is given.

After two months of school fees being in arrears the learner will be suspended and the account will be handed to an attorney for debt collection and the normal procedure for debt collection will be followed. The parent/guardian will be responsible for any costs incurred in the process as well as your child's place at Harrington Primary will be forfeited and given to a child on the waiting list.

Proof of payment of school fees can be emailed to accounts1@meyerexec.com as well as admin@harringtonprimary.com
